To have the fire go on a strike just when you need it most? Have you ever thought the trouble maybe in the coal? Try a ton or so of our clean, free-from-slate-and-stone Coal.

Plenty of people have had their fire go back on them until after they had tried our Coal. Now they haven't a bit of trouble. Worth a trial any way.

## She Broke Down Entirely

Lantz, W. Va.—Mrs. Tebe Talbott of this place says: "I had been troubled with woman ailments for some time, and at last I broke down entirely. I got so weak I could scarcely walk across the room. Thanks to Cardui, I improved right off. Now I do my housework, and am feeling well." During the past 50 years, more than a million women have been benefited by taking Cardui. You must believe that Cardui will help you, too, since it helped all these others. Cardui is a safe, harmless, vegetable remedy, of positive, curative merit, for women. At drug stores. ## Police Court.

Business in the Police Court has dropped off the past several weeks to a mere nothing, and the place has become as quiet and somber as a Quaker meeting house. Owing to lack of Court matters time drags slowly with Judge Whitaker, and he has many spare moments in which to give retrospective thought of halcyon days gone by, when folks and things were different than now—then it was the simple and not the strenuous life of today. His reveries are broken at times, as was the case last afternoon, to give attention to mundane affairs. Two cases of plain drunks were disposed of as follows—Alexander Gifford and James Tudor, \$6.00 each.

of Maysville.

ACCORDING to some recent decisions of the Court of Appeals a drunken man does not seem to have many rights that the railroads are bound to respect.

An intoxicated man fell from a train in Western Kentucky a few months ago. A damage suit followed, with the result that the Lower Court mulcted the railroad company for several thousand dollars. The Court of Appeals reversed the verdict because of the man's inebriated condition.

In Northeastern Kentucky a citizen heavily laden with a cargo of booze bought a ticket from one station to another. When he attempted to get on board the train the Conductor said: "Nay, nay, Paoline," or words to that effect. Later he sneaked on board the smoker while the Conductor wasn't looking. After the cars were under way he became boisterous. The Conductor stopped the train and gently but firmly assisted his unruly and unwelcome passenger to a soft spot on the right of way. Then the bell rang, the whistle blew and No. 37 sped around the curve and out of sight, leaving the booze-hammered individual to wonder whether he was traveling or going somewhere.

In the abstract of the Court's decision it is not stated whether he spent the night on a pile of crossties or in negotiating the distance which separated him from the family residence. At

any rate, he sued the railroad shortly afterward for damages "for all proper relief" for the physical inconvenience, mental anguish, humiliation, consternation and loss of sleep and booze. The Lower Court thought he was entitled to \$200. The Appellate Court reversed the verdict, holding that persons who are intoxicated are not in a proper condition to be received on a train and may be refused admittance; holding also that the intoxicated man when he got on board the smoking coach after being refused admittance was a trespasser.

These decisions may strike some people as having a tendency to work hardships in some instances, which, perhaps, is true. The Court, doubtless, in adjudicating the deserts of intoxicated passengers also had in mind the rights of the larger class of the traveling public which is wont to ride trains soberly and in its right mind.—Courier-Journal.

It has been ninety-nine years since the capital of Ohio was removed from Chillicothe to Columbus.

It will be worth noticing now the schemes which the big railroad magnates will hatch up in order to overcome the adverse decision of the Interstate Commerce Commission preventing them from advancing rates. It's mighty hard to get ahead of a railroad, and the bigger the road the harder it is.

It is said that bucket-shop gambling has been almost totally eradicated by the Government. Another case of locking the stable door after the horse is stolen. The sum that has been lost, or rather stolen, by the bucket-shops in the United States is so vast that it runs into the billions of dollars. Maysville alone must have sunk at least a million dollar in this bottomless pit of dishonest speculation.

**ALMOST IMPOSSIBLE.**

"I hear your mother-in-law died recently."

"Yes, she did."

"Well, it's hard to lose a mother-in-law."

"Hard! It's almost impossible."

**WELCOME WORDS TO WOMEN**

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't tinker with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

**BUCKET-SHOP GAMBLING**

Has Been Almost Eradicated By Government Crusade

Attorney General Wickham declared that final reports of the nationwide campaign against bucket-shops show that more than 4,000 offices of that character were put out of business as a result of that crusade.

One former bucketshop man has told Mr. Wickham that one result of the campaign has been entirely to stop gambling in stocks and grains in many small cities and towns.

The State Railroad Commission Thursday handed down its opinion in the case of the American Tobacco Company against the Chesapeake and Ohio Railroad Company, ordering the Railroad Company to refund to the American Tobacco Company \$1,535 overcharges for carrying tobacco from Louisville to Maysville.

The Railroad Company hauled 103 carloads of tobacco from Louisville to Maysville during the strike at the tobacco factory in Louisville, and charged the Tobacco Company 18 cents per hundred classification rate, instead of 10 cents per hundred commodity rate.

## Dangerous

The snow on roofs of houses, hardened into half ice, has been a menace to pedestrians passing along the sidewalks during the past week, and that some one has not been seriously injured by the frozen substance sliding off the eaves of houses and falling on them has been in the nature of a miracle. Yesterday afternoon a perfect avalanche fell from Cox Building and landed on top of Cabell Bros.' delivery wagon standing in front of the store at the time. The horse attached to the vehicle became frightened and started on a dead run, but was caught before he had gone very far. It was fortunate no one was passing at the time, else they would surely have been hurt.

Murders His Wife

SOMERSET, Ky., February 24th—Geo. Spen-  
cer of Whitley, this county, ex-Deputy Sheriff,  
shot and killed his wife at her home.

Spencer was arrested, brought here and  
lodged in jail. He says the shooting was acci-  
dental, while his wife, in a dying statement,  
says he shot her intentionally.

Did the Proper Thing

J. C. Jones, a twelve-year-old colored boy,  
simple-minded, was arrested by a C. and O.  
Detective and indicted by the last Grand Jury  
for stealing coal from the C. and O. Railroad.  
He was brought out of Jail yesterday and  
arraigned before Acting Judge J. O. Pickrell,  
and on motion of County Attorney Thomas D.  
Slattery the boy was sent home to his mother  
and the charge dismissed.

MAYSVILLE LOOSE LEAF TOBACCO  
MARKET

Total loose leaf tobacco sales at Maysville  
yesterday amounted to 301,295 pounds, selling  
at an average price of \$7.91.

The market was very active and showed  
some improvement with prices tending upward.  
Offerings, however, were of average quality.

The Farmers' house sold 207,795 pounds at  
an average price of \$7.47.

The Tuck-Lo house sold 93,500 pounds at  
an average price of \$8.35.

At Lexington 700,000 pounds were sold;  
Louisville, 1,000 bogsheads and Cincinnati 427  
bogsheads averaging about \$7.

Good For the Teachers

State Treasurer Edwin P. Farley will  
mail to the County Superintendents the  
first of the month checks amount-  
ing to \$410,000, which will be paid to the  
rural school teachers. Heretofore  
this payment has not been made  
to the teachers until in June, but Cap-  
tain Farley said that the money was  
due the teachers, and that if it was not  
paid the teachers would have to dis-  
count their claims, thereby losing  
between \$40,000 and \$50,000.

A CORROBORATION

OF INTEREST TO MAYSVILLE READERS

For months Maysville citizens have seen in  
these columns enthusiastic praise of Doan's  
Kidney Pills by Maysville residents. Would  
these prominent people recommend a rem-  
edy that had not proven reliable? Would  
they confirm their statements after years had  
elapsed if personal experience had not shown  
the remedy to be worthy of endorsement? No  
stronger proof of merit can be had than cure  
that have stood the test of time. The follow-  
ing statement should carry conviction to the  
mind of every Maysville reader:

M. C. Chisholm, 317 East Second street,  
Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in  
my case some years ago has been permanent,  
and the public testimonial I then gave in their  
praise still holds good. I was bothered a great  
deal by too frequent passages of the kidney ac-  
cretions, this being especially annoying at  
night, when I was obliged to arise several times.  
Having my attention called to Doan's Kidney  
Pills, I procured a box at J. J. Wood & Son's  
Drugstore, and had taken them only a short  
time before I noticed a marked improvement.  
They soon cured me, and I have since learned of  
several other cases where Doan's Kidney Pills  
have been used with great results."

For sale by all dealers. Price 50 cents.

Are Microbes

in Your Scalp

It Has Been Proved That  
Microbes Cause Baldness

Professor Unna of Hamburg, Germany, and  
Dr. Sabouraud, the leading French dermatologi-  
st, discovered that a microbe causes baldness.  
Their theory has time and again been amply  
verified through research experiments carried  
on under the observation of eminent scientists.  
This microbe lodges in the Sebom, which is  
the natural hair oil, and when permitted to  
flourish it destroys the hair follicles and in  
time the pores entirely close, and the scalp  
gradually takes on a shiny appearance. When  
this happens there is no hope of the growth  
of hair being revived.

I have a remedy which will, I honestly  
believe, remove dandruff, exterminate the mi-  
crobes, promote good circulation in the scalp  
and around the hair roots, tighten and revital-  
ize the hair roots and overcome baldness, no  
long as there is any life left in the hair roots.

I back up this statement with my own per-  
sonal guarantee that this remedy called Rexall  
'93 Hair Tonic will be supplied free of all  
cost to the user if it fails to do as I state.

It will frequently restore gray and faded  
hair to its original color, providing loss of  
color has been caused by disease; yet it  
is in no sense a dye. Rexall '93 Hair  
Tonic accomplishes these results by making  
every hair root, follicle and pigment gland  
strong and active, and by stimulating a natu-  
ral flow of coloring pigment throughout the  
hair cells.

I exact no obligations or promises—I sim-  
ply ask you to give Rexall '93 Hair Tonic a  
thorough trial and if not satisfied tell me and  
I will refund the money you paid me for it.  
Two sizes, prices 50 cents and \$1.00. Remem-  
ber you can obtain it in Maysville only at my  
store—The Rexall Store. Thos. J. Chenoweth,  
Second and Station streets.

### Some High Priced Jerseys

Mr. Arthur Glascock of the Edgefield Dairy Farm and Mr. Carey M. Devore of near Dover returned from Shelby county Thursday, where they purchased of J. F. Middleton five high-priced and pedigreed Jersey heifers, Mr. Devore buying one, an imported heifer, "Glory Brown Daisy," for which he paid \$300, and Mr. Glascock purchasing four heifers, all thoroughbreds, at about \$200 each. These fancy young cattle will be fresh in a few months and are the highest priced stock of the kind ever brought to Mason county.

The heifers will be delivered here in April.

Mr. Devore has quit the sheep industry on account of the quarantine on scabies, and over a year ago he disposed of his expensive flock of Shropshire Downs.

"Eminent Brown Daisy," the dam of the heifer purchased by Mr. Devore, recently sold at auction for \$500.

### REMITTS TERM

### Acting Governor Cox Extends Clemency to George Gilbert

Acting Governor W. H. Cox extended clemency to a prisoner of Mason county Thursday, it being the first act of this kind during his two weeks as Acting Governor.

He remitted the remainder of the eight months Jail sentence imposed on George Gilbert, for petit larceny. Gilbert has served nearly all of his term and was in Jail more than a month before he was convicted, so that he actually has been in Jail almost the entire time for which he was sentenced.

During the time he has been in Jail his wife has died. His child is greatly in need of his help and support.

Governor Cox said he would remit the remainder of the sentence, conditional on Gilbert leading the right kind of life and taking care of his family.

### HUNDRED MILLION

### Dollars Annually Saved to Shippers By Ruling of Interstate Commerce Commission

By the decision of the Interstate Commerce Commission denying the railroads the right to their proposed increase in freight rates, more than \$100,000,000 yearly will be saved to the manufacturers and shippers.

The decision is the most direct blow ever given the transportation monopolists by the Commission, and it means Government regulation that regulates. All parts of the country will benefit and the backbone of the railroad freight trust is broken.

Montgomery county's wealth is \$6,913,855, according to the report of the County Assessor.

The gage marks 25.8 and falling.

### HOW OLD PEOPLE

#### May Prolong Their Lives.

At an advanced age waste is more rapid than repair. The organs act more slowly and less efficiently than in youth. The circulation is poor—the blood thin and watery—the appetite poor and digestion weak.

We want to say to every aged person in this vicinity that Vinol, our delicious cod liver and iron tonic (without oil) will prolong life. It creates an appetite, aids digestion and makes good blood. In this natural manner Vinol retards waste and replaces weakness with strength, giving new life to the worn system.

If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. John C. Pecor, Druggist, Maysville, Ky.
